Child's full name: _____

Grade: _____

I am a member of ABC.

I would like to become an ABC Peel member. I have enclosed my ABC Peel membership form along with this registration.

If you are becoming a member of ABC, please make \$40.00 membership cheque payable to ABC Ontario, and \$35.00 workshop fee payable to ABC Peel Chapter. A membership application can be found on our website at <http://www.abcpeel.org> or you can become a member online at www.abcontario.ca

In conjunction with

Spirit of Math Schools,
presents:

'Neuron
Tickler'
Winter Warm-Up
Workshop

For kids now in Grades 4-6

Saturday January 27, 2007
1:30pm – 4:30pm

of

‘Neuron Tickler’ Winter Warm-Up Workshop

Are your children ready to have their neurons tickled by challenging math problems? If so, this three-hour workshop offered by Spirit of Math Schools is just the thing to get their brains back into gear after the holidays.

High-achieving students in Grades 4, 5, and 6 will enjoy this exciting opportunity to work with others their age while doing a variety of math problems. Individual and group discovery will be accompanied by some instruction on how to solve certain types of problems. The workshop will end with a fun math rally.

This workshop will be lead by Kim Langen, President of Spirit of Math, with assistance from teachers and staff from the Brampton and Mississauga West campuses.

Spirit of Math Schools is a serious after school math program for high-achieving students that has produced champions for over 25 years. It continues to produce top mathematics students through a combination of a very intense program, high student expectations and extensive teacher training.

For more information about our after school classes contact:

Mebis Haji, Principal of Brampton Campus: **905-454 - 9100**,

OR

Salima Mussaji, Principal of Mississauga West Campus: **905 - 814 - 5050**

www.spiritofmath.com

COST:

ABC Members: \$35.00

Non-Members: \$50.00

Additional children in the same family will receive a \$5.00 discount on the workshop fee.

To register:

Email us at activities@abcpeel.org. Make sure you put **‘Neuron Tickler’** in the subject line. Provide your name, phone number and name(s) and present grade(s) of your child(ren). We will contact you with confirmation of your child’s spot.

SPACE IS LIMITED!

Once we have confirmed a spot for your child, please mail the registration form and cheque payable to ‘ABC Peel Chapter’ to:

Children’s Programs
c/o ABC Peel Chapter
Watline Postal Outlet
P.O. Box 10010
Mississauga, ON L4Z 4G5
