Scott has been working with children in the Greater Toronto region for over 25 years. Scott holds a Certificate in Social Work with a specialty in Child Abuse Prevention and Treatment, from the University of Waterloo.

Scott's latest book **Heroes of Hope** is a comprehensive resource designed for both young and old. It is a book that steers children through the pitfalls of childhood, empowering them to use every life experience as a tool that will help them develop into a confident, successful leader.

*My son turns to Heroes of Hope every time he runs into a school bully or is in need of a strategy to use to deal with one of his kid issues. I wish this book was around when I was a child. Great job!*
